THE TANKS

Set right near the beer tanks, where all the brewing magic happens, this space is perfect for standing receptions of any occasion. We can rope off the area size to suit your requirements, whether it be a small gathering or a larger scale party! The space also benefits from a large projector screen so you can have front row seats to your favourite sporting matches.

BISON ROOM

The Bison Room is a semi private area room, with the Long Arm graffiti wall taking centre stage. This quirky event space is complete with a private projector screen if your event is all about the game! Options to book a small area for 10-20 guests are also available.

BAR TABLES

Our bar tables give you front row seats to watch your favourite teams with friends and colleagues. All tables are a mixture of seating and standing. Our sports packages ensure your party are well fed with laid back sharing platters, accompanied with our ever changing tank fresh beer.

EXCLUSIVE USE

If you're looking for something a little different, Long Arm Pub and Brewery on Worship Street is like nowhere else in London. The venue is industrial and contemporary with the copper tanks of the brewery and impressive timber bar taking centre stage, while graffiti of the brewing process decorates the walls. Tank Fresh beer takes pride of place, with six regularly changing unfiltered and unadulterated beers, all sustainably produced, sold and consumed under one roof.
